(a) Hotels close to the City Center Shopping area

(b) Hotels close to the Ohio Convention Center

(c) Hotel directly across the street from the **OLD** ODOT building; now the Department of Education (corner of Broad and Front Streets)

(d) Hotel just south (approximately 1 ½ miles) of downtown (German Village vicinity)

(e) Hotel closest to the ODOT building (while the Days Inn is just down the street from ODOT, it is not in the most desirable part of town, but it is close)

(f) Hotel on West Broad, west of the ODOT Building and west of Westland Shopping Center (approximately 8 miles)

(g thru j) Hotels located approximately 10 miles west of ODOT off of Interstate 70 - near several stores and large selection of restaurants (desirable area)
