About the Travel Information Centers

The Ohio Department of Transportation has 12 Travel Information Centers (TICs) located throughout Ohio.

The mission of Ohio's TICs is to provide assistance and education to the traveling public. Our services are for everyone who visits, passes through, or lives in Ohio. Our centers receive more than one million visitors each year.

This exit guide provides useful information about hotels, restaurants, gas stations and area attractions located along Ohio's interstates. This information is provided as a general

overview, and is not an endorsement of the businesses and attractions listed. ODOT is not responsible for any omissions, new changes or closures that have occurred since the printing of this guide. The information is accurate as of the printing date, June 2007.

Store the guide in your glove compartment for easy reference on your next trip.
